PINSA ROMANA PIZZA

THE PINSA TRADITION

Pinsa is the consummation of over 100 years of Roman artisan baking expertise, creativity and experience.

Pinsa comes from the Latin word “pinsere” meaning “push the dough by hands”. Pinsa is described as being like a “cloud” of pizza with a delightful, crispy texture on the outside and an incredibly soft, tasty inside.

It is made with the exquisite taste of natural ancient bread in its original oval form, which delivers an incredible taste experience and an appealingly distinctive presentation.
